

SUCCESSION PLANNING

What is it and how does it help increase your wealth?

Greg Johnson

Managing Partner
Ascend Business Partners

At some stage you will decide to leave your business - whether you've decided to sell, retire or simply do something else.

Regardless of your reason, having a plan in place will help for a smooth transition.

Explore why succession planning is important; what it means and when you should start; steps and tips to help you through the process and to maximise the value of your business.

Learn how the 7 steps to REFIRE will help build your wealth and achieve your ideal lifestyle.
